Professional Summary

Versatile Fullstack Developer with a proven track record in delivering high-quality software solutions. Known for adaptability, creative problem-solving, and a commitment to innovation. Experienced in engineering practices, I bring enthusiasm and a strong work ethic to dynamic environments. Skilled at building and enhancing software products, I thrive in collaborative settings and contribute valuable insights to drive project success. Effective communicator with a passion for continuous learning and making a positive impact.

Skills

- 🔧 Problem Solving | Adaptability | Innovative | Technical skills | Networking skills | Organizational skills | Interpersonal skills | Time Management | Communication skills | Critical thinking | Analytical skills | Project Management skills | Strong skills of computer and internet
- 🔧 Microsoft Word | Microsoft Excel | Microsoft PowerPoint | Microsoft outlook | Microsoft Project management | WordPress, Figma, Canva

Tech Skills

- 🔧 Strong Quantitative, Modelling and proficient Programming skills
- 🔧 Strong written, verbal and communication skills
- 🔧 Strong Technical and mathematical background
- 🔧 Excellent coding skills in python and quantitative skills
- 🔧 Experience in Machine Learning, Artificial Intelligence
- 🔧 Self Motivation and responsible personality
- 🔧 Experience with FrontEnd and BackEnd Development
- 🔧 Extensive Knowledge in API & DataBase Design
- 🔧 Knowledge of Cloud and Software Deployment Services

Tech Stack

- ✚ **MarkUp & Scripts** : HTML, CSS, TailwindCSS
- ✚ **Programming Languages** : Python, JavaScript, NodeJS
- ✚ **FrontEnd Frameworks** : React, Bootstrap, Tailwind CSS, MaterialUI
- ✚ **BackEnd Frameworks** : Django, Express, RESTAPI, FastAPI, NextJS
- ✚ **Databases** : MySQL, PostgreSQL, MongoDB, SQLite
- ✚ **Version Control** : Git & GitHub
- ✚ **DevOps Tools** : Docker, Kubernetes
- ✚ **Cloud and Deployment** : Heroku, AWS, Vercel, Redux, Railway, Netlify

Work History/Experiences

Frontend Developer, 01/2024 to Present

T40 Technologies

- Developing high-quality, responsive web applications using React.js.
- Collaborating with the design team to translate UI/UX wireframes into functional components.
- Developing high-quality, responsive web applications using React.js.
- Implementing pixel-perfect designs with attention to detail and interactivity.
- Optimizing web applications for maximum speed and scalability.
- Ensuring cross-browser and cross-device compatibility.
- Collaborating with the backend team to integrate APIs and data services.
- Conducting thorough testing and debugging to ensure optimal performance.

Freelancer, 2022 to Present

- Crafting cutting-edge software solutions that meet client needs, combining frontend and backend expertise for seamless and user-friendly applications.
- Collaborating with diverse teams and clients to deliver tailor-made solutions, fostering open communication, and ensuring successful project outcomes.
- Staying ahead in the ever-evolving tech landscape, adapting to new challenges, and leveraging a versatile skill set to create impactful digital experiences.
-

Remote Human Resource Intern, 08/2022 to 03/2023

GAO Tek Inc. USA (Remote)

- Reply to applicant`s emails, screen replies, and schedule interviews with senior HR staff
- Post job ads on general career websites, university, and college career websites, and internship websites
- Develop relationships with universities and colleges that have intern programs
- Conduct interviews
- Conduct evaluations
- Other HR tasks

Assistant IT Administrator, 10/2018 to Current

INSTITUTE OF ANWARIL ISLAM, Nguru, Nigeria

- Monitoring and maintaining networks and servers.
- Upgrading, installing, and configuring new hardware and software to meet objectives.
- Supervising and mentoring the IT department, as well as providing IT support.
- Instruct and monitor students in the use of the ICT laboratory.
- Keeping up to date with advancements and best practices in IT administration.
- Assist in the provision of general support to users on the available IT systems and administrative related process

Education

B.Eng. Civil Engineering (CGPA: 4.16)

2016-2021

ABUBAKAR TAFAWA BALEWA UNIVERSITY, BAUCHI

Certifications/Trainings

CERTIFICATE	PROVIDER	YEAR
Certificate of National Youth Service	NYSC	2023
Project Management essentials	cornerstone on demand foundation	2022
Procurement and Logistics certificate	mercy corps	2021
Training in Digital Marketing	GaoTek.Inc	2023
Training in Human Resources	GaoTek.Inc	2023
Proposal writing	Cornerstone on demand foundation	2020
Jobberman soft skills training	Jobberman	2020
Data analysis and Action planning	International Rescue Committee (IRC)	2020
Qualitative data analysis	Cornerstone on demand foundation	2020
Responsible data management in emergencies	Save the children	2021
Digital security	Cornerstone on demand foundation	2021
Monitoring and evaluation practices	international rescue committee (IRC)	2021

Memberships

Member: International Association of Engineers (IAENG)

ID:286769

Member: Nigerian Society of Engineers (MNSE)

ID: G70981
